

The James Fisher Nuclear Support Alice's Escapes

Thursday 13th June 2013

On the 7th of June, James Fisher Nuclear Limited (JFN) hosted a charity golf day for customers and suppliers in aid of Alice's Escapes.

Alice's Escapes is a charity run by a team of volunteers committed to providing free holidays for families with a seriously ill child. The aim is to give such families the opportunity to 'escape' and enjoy some peace and relaxation in the beautiful Lake District.

The event was held at the Mere Golf Resort and Spa, set alongside the Mere lake close to the picturesque town of Knutsford. With excellent surroundings and perfect weather, the golf was enjoyed by all participants and over £700 was raised from the day to support the charity through donations and a raffle.

Simon Pyne of Alice's Escapes said "Alice's Escapes was delighted to be able to attend the recent JFN Golf Charity day at the Mere Golf Club. It was great to see such a diverse representation of people across industry. The weather was wonderful and the kind donations will go a long way to supporting our aim of providing holidays for families with seriously ill children in the lake district. A big thanks to all involved."

Paul Read, Managing Director of JFN, commented that "our customers, suppliers and staff who were able to attend the event all expressed their pleasure at being able to support a very worthwhile charity. The day provided the opportunity to make new acquaintances and renew old ones in a relaxing and enjoyable setting on a great golf course. The golf, the company and the weather were all excellent. The day was made further satisfying in the knowledge that the participants could all contribute to the goals of Alice's Escapes."
