

## Major Contract Award – BEPPS-DIF

Thursday 18<sup>th</sup> December 2014

---

James Fisher Nuclear (JFN) today announces that a consortium of which it is a partner, has been awarded a £150m decommissioning construction contract by Sellafield Limited.

The consortium is led by M+W UK and the scope of the project comprises the construction completion of a purpose built Box Encapsulation Product Store (BEPPS) and the construction of its associated Direct Import Facility (DIF) to enable the receipt and storage of grouted Intermediate Level Waste (ILW) packages. The project will commence this year and is scheduled for completion in 2017. The JFN contribution represents 25% of the value of the consortium.
