

JFN wins contract at the Hunterston A Site

Monday 5th January 2015

JFN has been awarded a £6M contract in support of Balfour Beatty for the supply of a Solid Intermediate Level Waste Encapsulation (SILWE) Facility at the Hunterston A site, Ayrshire. The plant will be used to encapsulate the waste retrieved from the bunkers, prior to transfer to the on-site ILW store. The project will commence this year and is scheduled for completion in 2017.
