

James Fisher and Sons plc

Fleet Technical Superintendent

Location: Barrow-in-Furness

Competitive Package

The UK's leading Shipping and Marine Services Company has an exciting career opportunity for a Fleet Technical Superintendent.

You will be part of a team with responsibility for the safe operation and maintenance of a modern Fleet of vessels and you will have the capability of managing repair and other specialised projects. Applicants will be ambitious with good communication skills and the ability to build a rapport with crews, colleagues and customers alike.

Previous experience as a Technical Superintendent and tanker experience is desirable and a 1st Class Certificate of Competency is preferred. The post will involve travel in the UK and overseas. Preferably the position is based at Company's HQ in Barrow-in-Furness or their office in Milford Haven.

We are a rapidly expanding company and if you are interested in the challenge and rewards presented by this opportunity we will be keen to hear from you. We offer an excellent remuneration package including a very Competitive Salary + Car + Relocation + Pension + Healthcare.

Apply with cv to with full career details, two referees and present salary to:
